QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is the record date?

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting is the close of business on March 30, 2021. The record date is established by the Board of Directors as required by New York law. On the record date, 44,475,559 shares of the Company’s common stock, par value \$0.01 per share (“common shares” or “common stock”) were issued and outstanding.

Who is entitled to vote?

All record holders of common shares as of the close of business on March 30, 2021 are entitled to vote. As of the record date, there were 44,475,559 shares of common stock issued and outstanding.

What are the voting rights of shareholders?

Each holder of common shares is entitled to one vote per common share on all matters to be acted upon at the Annual Meeting. Neither the Company’s Restated Certificate of Incorporation, as amended (our “Certificate of Incorporation”), nor our Amended and Restated By-laws allow for cumulative voting rights.

What constitutes a quorum for the Annual Meeting?

A majority of the outstanding shares of common stock entitled to vote, represented at the meeting in person or by proxy, constitutes a quorum. Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum is present.

How do I vote my common shares?

KORU offers registered shareholders two ways to vote:

- By Internet or mobile device, following the instructions on the Notice or the proxy card, prior to or at the Annual Meeting; or
- By mail (if you received your proxy materials by mail), using the enclosed proxy card and return envelope.

How do I attend the Annual Meeting? What do I need to bring?

Shareholders may attend the Annual Meeting by logging in at <http://public.viavid.com/index.php?id=143990>.

If you encounter any technical difficulties logging onto <http://public.viavid.com/index.php?id=143990> or during the meeting, send an email to investor@korumedical.com for assistance.

Questions may be submitted prior to the Annual Meeting by sending an email to investor@korumedical.com. You will not be able ask questions during the meeting.

We urge you to vote and submit your proxy in advance of the meeting by one of the methods described in the proxy materials for the Annual Meeting. You will not be able to vote at <http://public.viavid.com/index.php?id=143990>.

Can I vote my common shares during the Annual Meeting?

Yes. If you are a shareholder of record, you may vote your common shares during the Annual Meeting by accessing <https://www.cstproxy.com/KORUMEDICAL/2021> until the polls close. Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy as described above in advance of the meeting so that your vote will be counted if you later decide not to attend the meeting.

What is the difference between a shareholder of record and a “street name” holder?

If your common shares are registered directly in your name with Continental Stock Transfer & Trust Company, the Company’s transfer agent, you are considered the shareholder of record with respect to those common shares. The Notice and proxy card have been sent directly to you by the Company.

If your common shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of these common shares, and your common shares are held in “street name.” The Notice and proxy card have been forwarded to you by your broker, bank or nominee who is considered, with respect to those common shares, the shareholder of record.

How do I vote shares that are held by my broker?

If you have shares held by a broker or other nominee, you may instruct your broker or other nominee to vote your shares by following instructions that your broker or nominee provides to you. Most brokers offer voting by mail and the Internet.

What if I do not specify how I want my common shares voted?

If you return a signed proxy card and do not specify on your proxy card (or when giving your proxy over the Internet or mobile device) how you want to vote your common shares, your common shares will be voted FOR each of the directors nominated in Proposal 1, and FOR each of the proposals set forth in Proposals 2, 3 and 4.

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders. If that happens, the banks and brokers who are registered with the New York Stock Exchange (NYSE) may vote those shares only on matters deemed “routine” by the NYSE, such as the ratification of the appointment of the Company’s independent registered public accounting firm. On “non-routine” matters nominees cannot vote unless they receive voting instructions from beneficial owners, resulting in so called “broker non-votes.” The items being considered at the Annual Meeting, except for the ratification of the appointment of the Company’s independent registered public accounting firm, are considered “non-routine” matters. Therefore, it is important that you provide voting instructions to your broker as to how you want your shares voted on the proposals being submitted at the Annual Meeting.

How do I find out the voting results?

Preliminary results are typically announced at the Annual Meeting. Final voting results will be reported on a Form 8-K filed with the Securities and Exchange Commission following the Annual Meeting.

What are my choices when voting?

Shareholders may vote “for,” “against” or abstain from voting with respect to each of Proposals 2, 3 and 4 described in the Notice and this Proxy Statement. Shareholders may vote “for” or “against” all or some of the nominees, or vote “withhold” with respect to one or more of the nominees with respect to Proposal 1 (Election of Directors).

What are the recommendations of the Board of Directors on how I should vote my common shares?

The Board of Directors recommends that you vote your common shares FOR each of the director nominees in Proposal 1 and FOR each of Proposals 2, 3 and 4.

Can I change my vote?

Yes. You may revoke your proxy at any time by any of the following means:

- Attending the Annual Meeting and voting by one of the methods described in the proxy materials for the Annual Meeting. Your attendance at the Annual Meeting will not by itself revoke a proxy. You must vote your common shares at the meeting, prior to the polls closing, to revoke your proxy. If your common shares are held in “street name,” you will need a nominee-issued proxy from your broker to vote your common shares at the meeting.
- Completing and submitting a new valid proxy bearing a later date by Internet, mobile device or mail before 11:59 pm on May 17, 2021.
- Giving written notice of revocation to the Company addressed to Corporate Secretary, at the Company’s address above, which notice must be received before the close of business on May 17, 2021.

What percentage of the vote is required to elect the nominees to the Board of Directors?

To be elected as a director (Proposal 1), each director nominee must receive a plurality of the votes cast at the Annual Meeting by the shareholders entitled to vote in the election of directors. Should any director nominee become unable or unwilling to accept nomination or election, the proxy holders may vote the proxies for the election, in his or her stead, of any other person the Board of Directors may nominate or designate. Each director nominee has expressed his intention to serve the entire term for which election is sought. Broker non-votes and votes “withheld” will have no impact on the outcome of Proposal 1.

What percentage of the vote is required to approve the advisory vote regarding executive compensation?

The affirmative vote of a majority of the votes cast for or against at the Annual Meeting by the shareholders entitled to vote thereon is required to approve, by advisory vote, the Company’s executive compensation described in this proxy statement (Proposal 2). This is a non-binding advisory vote. Broker non-votes and abstentions will have no effect on the outcome of Proposal 2.

What percentage of the vote is required to ratify the appointment of independent registered accountants?

The affirmative vote of a majority of the votes cast in favor of or against such action at the Annual Meeting by the shareholders entitled to vote thereon is required to ratify the appointment of the independent registered accountants (Proposal 3). This is a non-binding advisory vote. Broker non-votes and abstentions will have no effect on the outcome of Proposal 3.

What percentage of the vote is required to approve the 2021 Omnibus Equity Incentive Plan (the “2021 Equity Plan”)?

The affirmative vote of a majority of the votes cast in favor of or against such action at the Annual Meeting by the shareholders entitled to vote thereon is required to approve the 2021 Equity Plan (Proposal 4). Broker non-votes and abstentions will have no effect on the outcome of Proposal 4.

Is this proxy statement the only way that proxies are being solicited?

No. In addition to the solicitation of proxies by use of the mail, officers and employees of the Company may solicit the return of proxies by mail, telephone, facsimile or e-mail or through personal contact. These officers and employees will not receive additional compensation but will be reimbursed for out-of-pocket expenses. Brokerage houses and other custodians, nominees and fiduciaries, in connection with common shares registered in their names, will be requested to forward solicitation materials to the beneficial owners of common shares.

Are there any other matters to be acted upon at the Annual Meeting?

Management does not intend to present any business for a vote at the Annual Meeting other than the matters set forth in the Notice and has no information that others will do so. If other matters requiring a vote of the shareholders properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their discretion on such matters.

What does it mean to vote by proxy?

It means that you give someone else the right to vote your shares in accordance with your instructions. In this way, you ensure that your vote will be counted even if you are unable to attend the Annual Meeting. If you give your proxy but do not include specific instructions on how to vote, the individuals named as proxies will vote your shares “FOR” each of the director nominees and FOR Proposals 2, 3 and 4.

What is “householding” and how does it affect me?

KORU has adopted “householding,” a procedure under which shareholders of record who have the same address and last name will receive a single Notice of Internet Availability of Proxy Materials or set of proxy materials, unless one or more of these shareholders notifies the Company that they wish to continue receiving individual copies. Shareholders who participate in householding will continue to receive separate proxy cards. This procedure can result in significant savings to the Company by reducing printing and postage costs.

If you participate in householding and wish to receive a separate Notice of Internet Availability of Proxy Materials or set of proxy materials, or if you wish to receive separate copies of future notices, special reports and proxy materials, please contact Continental Transfer & Trust Company at 1 State Street 30th floor, New York, NY 10004, phone (212) 509-4000. The transfer agent will deliver the requested documents to you promptly upon your request.

Any shareholders of record who share the same address and currently receive multiple copies of proxy materials who wish to receive only one copy of these materials per household in the future may contact Continental Transfer & Trust Company at the address or telephone number listed above. If you hold your shares through a broker, bank or other nominee, however, please contact your broker, bank, or other nominee to request information about householding.

Are there rights of dissent or appraisal for the proposals submitted at the Annual Meeting?

None of the matters to be acted on at the Annual Meeting give rise to any statutory right of a shareholder to dissent and obtain the appraisal of or payment for such shareholder’s shares.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE DIRECTOR NOMINEES IN PROPOSAL 1. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED “FOR” THE ELECTION OF THE NOMINEES LISTED ABOVE.

**PROPOSAL 2:
ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act added Section 14A to the Securities Exchange Act of 1934, as amended (“Exchange Act”), which requires that we provide shareholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers. Commonly known as a “say-on-pay” vote, this proposal gives our shareholders the opportunity to express their views on our executive compensation policies and programs and the compensation paid to the named executive officers. At the Company’s 2020 Annual Meeting of Shareholders, 95% of the votes cast were in favor of the Board of Directors’ recommendation to hold an advisory vote on executive compensation every year. The Board of Directors and the Nominating and Governance Committee (then, our compensation committee) reviewed these results and determined that the Company’s shareholders should hold an advisory vote on executive compensation every year. Accordingly, a say-on-pay vote is being taken at the 2021 Annual Meeting.

Our general compensation philosophy is that we believe that the most effective compensation program is one that is designed to reward all of our employees, including but not limited to, our named executive officers, for the achievement of our short-term and long-term strategic goals using a pay for performance system that ultimately drives toward the achievement of increased total shareholder return. Through this strategy, we seek to closely align the interests of our named executive officers with the interests of our shareholders. Our named executive officers’ total compensation is comprised of a mix of base salary, performance-based cash bonus, long-term incentive compensation, retirement and other benefits intended to fulfill these objectives.

We are asking our shareholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by approving the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the Company’s proxy statement for the 2021 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and accompanying narrative disclosure.”

We strongly encourage shareholders to read “Executive Compensation” in this proxy statement, including the tabular and narrative disclosure regarding executive compensation, for additional details.

The vote on this proposal is advisory and therefore not binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee will review and consider the voting results in future decisions regarding executive compensation.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED “FOR” THIS PROPOSAL.

**PROPOSAL 3:
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Company’s independent registered public accounting firm for the fiscal year ended December 31, 2020 was the firm of McGrail Merkel Quinn & Associates, P.C. (“McGrail Merkel”). The Audit Committee has reappointed and recommends McGrail Merkel as our independent registered public accountants for the fiscal year ending December 31, 2021. McGrail Merkel has served as our independent registered public accountants since October 31, 2014 and, most recently, completed the audit of our financial statements for the fiscal year ended December 31, 2020.

One or more representatives of McGrail Merkel are expected to be available at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions from shareholders.

Audit Fee

The following table shows the aggregate fees billed for professional services rendered by McGrail Merkel for the fiscal years ended December 31, 2020 and December 31, 2019:

Fees Category	Fiscal Year Ended December 31, 2020	Fiscal Year Ended December 31, 2019
Audit Fees	\$42,500	\$42,500
All Other Fees	\$ 3,000	\$ 1,800

Audit fees consist of aggregate fees billed for professional services rendered for the audit of our annual financial statements and review of the interim financial statements included in quarterly reports or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2020 and December 31, 2019, respectively. PROPOSAL 4: APPROVAL OF 2021 OMNIBUS EQUITY INCENTIVE PLAN

On March 22, 2021, our Board of Directors adopted the 2021 Omnibus Equity Incentive Plan (the "2021 Equity Plan"), subject to approval of our shareholders. There have been no awards made pursuant to the 2021 Equity Plan.

The material features of the 2021 Equity Plan are summarized below. This summary is qualified in its entirety by reference to the full text of the 2021 Equity Plan, which is set forth in Appendix A to this proxy statement. The Company expects that its 2015 Stock Option Plan, as amended, will continue in effect in accordance with its terms.

General

The 2021 Equity Plan covers the grant of awards to our employees (including officers), non-employee consultants and non-employee directors and those of our affiliates. For purposes of the 2021 Equity Plan, our affiliates include any corporation, partnership, limited liability company, joint venture or other entity, with respect to which we, directly or indirectly, own either (i) stock of a corporation possessing at least fifty percent (50%) of the total combined voting power of all classes of stock entitled to vote, or at least fifty percent (50%) of the total value of all shares of all classes of stock of such corporation, or (ii) an aggregate of at least fifty percent (50%) of the profits interest or capital interest of any non-corporate entity.

We expect that the Compensation Committee of our Board (the "Plan Committee") will administer the 2021 Equity Plan. The Board or the Plan Committee may delegate certain of its administrative authority to our Chief Executive Officer or to a management committee except with respect to awards to executive officers, non-employee directors and others who are subject to Section 16 of the Exchange Act. In addition, the full Board must serve as the Plan Committee with respect to any awards to our non-employee directors.

Up to a maximum of 1,000,000 shares of our common stock may be delivered in settlement of awards granted under the 2021 Equity Plan. Up to a maximum of 1,000,000 shares of our common stock may be issued under the 2021 Equity Plan pursuant to the exercise of incentive stock options (“ISOs”). The stock delivered to settle awards made under the 2021 Equity Plan may be authorized and unissued shares or treasury shares, including shares repurchased by us for purposes of the 2021 Equity Plan. If any shares subject to any award granted under the 2021 Equity Plan (other than a substitute award as described below) is forfeited or otherwise terminated without delivery of such shares (or if such shares are returned to us due to a forfeiture restriction under such award), the shares subject to such awards will again be available for issuance under the 2021 Equity Plan. However, any shares that are withheld or applied as payment for shares issued upon exercise of an award or for the withholding or payment of taxes due upon exercise of the award will continue to be treated as having been delivered under the 2021 Equity Plan and will not again be available for grant under the 2021 Equity Plan. Upon settlement of any stock appreciation rights (“SARs”), the number of shares underlying the portion of the SARs that is exercised will be treated as having been delivered for purposes of determining the maximum number of shares available for grant under the 2021 Equity Plan and shall not again be treated as available for issuance under the 2021 Equity Plan.

If a dividend or other distribution (whether in cash, shares of common stock or other property), recapitalization, forward or reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, consolidation, scheme of arrangement, split-up, spin-off or combination involving us or repurchase or exchange of our shares or other securities, or other rights to purchase shares of our securities or other similar transaction or event affects our common stock such that the Plan Committee determines that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits (or potential benefits) provided to grantees under the 2021 Equity Plan, the Plan Committee will make an equitable change or adjustment as it deems appropriate in the number and kind of securities subject to awards (whether or not then outstanding) and the related exercise price relating to an award in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the 2021 Equity Plan.

Types of Awards

The 2021 Equity Plan permits the granting of any or all of the following types of awards:

- stock options, including non-qualified options and incentive stock options, or ISOs;
- stock appreciation rights, or SARs;
- restricted shares;
- deferred stock and restricted stock units;
- performance units and performance shares;
- dividend equivalents;
- bonus shares; and
- other stock-based awards.

Generally, awards under the 2021 Equity Plan are granted for no consideration other than prior and future services. Awards granted under the 2021 Equity Plan may, in the discretion of the Plan Committee, be granted alone or in addition to, in tandem with or in substitution for, any other award under the 2021 Equity Plan or other plan of ours; provided, however, that if a SAR is granted in tandem with an ISO, the SAR and ISO must have the same grant date and term and the exercise price of the SAR may not be less than the exercise price of the ISO. The material terms of each award will be set forth in a written award agreement between the grantee and us.

Stock Options and SARs

The Plan Committee is authorized to grant SARs and stock options (including ISOs except that an ISO may only be granted to an employee of ours or one of our subsidiary corporations). A stock option allows a grantee to purchase a specified number of shares of our common stock at a predetermined price per share (the "exercise price") during a fixed period measured from the date of grant. A SAR entitles the grantee to receive the excess of the fair market value of a specified number of shares on the date of exercise over a predetermined exercise price per share. The exercise price of an option or a SAR will be determined by the Plan Committee and set forth in the award agreement but the exercise price may not be less than the fair market value of a share of common stock on the grant date. The term of each option or SAR is determined by the Plan Committee and set forth in the award agreement, except that the term may not exceed 10 years. Options may be exercised by payment of the purchase price through one or more of the following means: payment in cash (including personal check or wire transfer), or with the approval of the Plan Committee, by delivering shares of our common stock previously owned by the grantee, or by delivery of shares of our common stock acquired upon the exercise of such option. The Plan Committee may also permit a grantee to pay the exercise price of an option through the sale of shares acquired upon exercise of the option through a broker-dealer to whom the grantee has delivered irrevocable instructions to deliver sales proceeds sufficient to pay the purchase price and any applicable withholding taxes to us. The grant of ISOs is contingent upon shareholder approval of the 2021 Plan within 12 months of its adoption by our Board.

Restricted Shares

The Plan Committee may award restricted shares consisting of shares of our common stock which remain subject to a risk of forfeiture and may not be disposed of by grantees until certain restrictions established by the Plan Committee lapse. The vesting conditions may be service-based (i.e., requiring continuous service for a specified period) or performance-based (i.e., requiring achievement of certain specified performance objectives) or both. A grantee receiving restricted shares will have all of the rights of a stockholder, including the right to vote the shares and the right to receive any dividends, except as otherwise provided in the award agreement. Upon termination of the grantee's affiliation with us during the restriction period (or, if applicable, upon the failure to satisfy the specified performance objectives during the restriction period), the restricted shares will be forfeited as provided in the award agreement.

Restricted Stock Units and Deferred Stock

The Plan Committee may also grant restricted stock unit awards and/or deferred stock awards. A deferred stock award is the grant of a right to receive a specified number of shares of our common stock at the end of specified deferral periods or upon the occurrence of a specified event, which satisfies the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"). A restricted stock unit award is the grant of a right to receive a specified number of shares of our common stock upon lapse of a specified forfeiture condition (such as completion of a specified period of service or achievement of certain specified performance objectives). If the service condition and/or specified performance objectives are not satisfied during the restriction period, the award will lapse without the issuance of the shares underlying such award.

Restricted stock units and deferred stock awards carry no voting or other rights associated with stock ownership until the shares underlying the award are delivered in settlement of the award. The award agreement will provide whether grantees may receive dividend equivalents with respect to restricted stock units or deferred stock, and if so, whether such dividend equivalents are distributed when credited or deemed to be reinvested in additional shares of restricted stock units or deferred stock.

Performance Units

The Plan Committee may grant performance units, which entitle a grantee to cash and/or shares conditioned upon the fulfillment of certain performance conditions and other restrictions as specified by the Plan Committee and reflected in the award agreement. The initial value of a performance unit will be determined by the Plan Committee at the time of grant. The Plan Committee will determine the terms and conditions of such awards, including performance and other restrictions placed on these awards, which will be reflected in the award agreement.

Performance Shares

The Plan Committee may grant performance shares, which entitle a grantee to a certain number of shares of common stock, conditioned upon the fulfillment of certain performance conditions and other restrictions as specified by the Plan Committee and reflected in the award agreement. The Plan Committee will determine the terms and conditions of such awards, including performance and other restrictions placed on these awards, which will be reflected in the award agreement.

Bonus Shares

The Plan Committee may grant shares of our common stock as bonus shares on such terms and conditions as specified in the award agreement.

Dividend Equivalents

The Plan Committee is authorized to grant dividend equivalents which provide a grantee the right to receive payment equal to the dividends paid on a specified number of shares of our common stock. Dividend equivalents may be paid directly to grantees or may be deferred for later delivery under the 2021 Equity Plan.

Other Stock-Based Awards

In order to enable us to respond to material developments in the area of taxes and other legislation and regulations and interpretations thereof, and to trends in executive compensation practices, the 2021 Equity Plan authorizes the Plan Committee to grant awards that are valued in whole or in part by reference to or otherwise based on our securities. The Plan Committee determines the terms and conditions of such awards, including consideration paid for awards granted as share purchase rights and whether awards are paid in shares or cash.

Non-Employee Director Awards

The Board may grant Awards under the Plan to any non-employee director, provided that (except in the context of a merger of the Company) non-employee directors may not be granted awards with respect to shares that have a fair market value (determined as of the date of grant) of more than \$750,000 in a single calendar year.

Merger, Consolidation or Similar Corporate Transaction

If there is a merger or consolidation of us with or into another corporation or a sale of substantially all of our stock (any of which is considered a "Corporate Transaction"), and the outstanding awards are not assumed by surviving company (or its parent company) or replaced with economically equivalent awards granted by the surviving company (or its parent company), the Plan Committee will cancel any outstanding awards that are not vested and nonforfeitable as of the consummation of such Corporate Transaction (unless the Plan Committee accelerates the vesting of any such awards) and with respect to any vested and nonforfeitable awards, the Plan Committee may either (i) allow all grantees to exercise options and SARs within a reasonable period prior to the consummation of the Corporate Transaction and cancel any outstanding options or SARs that remain unexercised upon consummation of the Corporate Transaction, or (ii) cancel any or all of such outstanding awards (including options and SARs) in exchange for a payment (in cash, or in securities or other property) in an amount equal to the amount that the grantee would have received (net of the exercise price with respect to any options or SARs) if the vested awards were settled or distributed or such vested options and SARs were exercised immediately prior to the consummation of the Corporate Transaction. If an exercise price of the option or SAR exceeds the fair market value of our common stock and the option or SAR is not assumed or replaced by the surviving company (or its parent company), such options and SARs will be cancelled without any payment to the grantee.

Amendment to and Termination of the 2021 Equity Plan

The 2021 Equity Plan may be amended, altered, suspended, discontinued or terminated by our Board without further stockholder approval, unless such approval of an amendment or alteration is required by law or regulation or under the rules of any stock exchange or automated quotation system on which the common stock is then listed or quoted. Thus, stockholder approval will not necessarily be required for amendments which might increase the cost of the 2021 Equity Plan or broaden eligibility. Stockholder approval will not be deemed to be required under laws or regulations that condition favorable treatment of grantees on such approval, although our Board may, in its discretion, seek stockholder approval in any circumstance in which it deems such approval advisable. No ISOs may be awarded after any amendment to the 2021 Equity Plan that either broadens eligibility or increase the number of shares available for delivery in the form of ISOs unless such amendment is approved by our stockholders within 12 months of the date the Board approve the adoption of such amendment.

In addition, subject to the terms of the 2021 Equity Plan, no amendment or termination of the 2021 Equity Plan may materially and adversely affect the right of a grantee under any award granted under the 2021 Equity Plan.

Unless earlier terminated by our Board, the 2021 Equity Plan will terminate when no shares remain reserved and available for issuance or, if earlier, on the tenth anniversary of the effective date of the 2021 Equity Plan.

Federal Tax Information

The following is a general summary of the U.S. federal income tax consequences to the Company and to recipients of awards granted under the 2021 Equity Plan. The U.S. federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. Tax consequences for any particular individual may be different. This summary is not intended to be exhaustive and does not discuss the tax consequences of a participant's death or provisions of income tax laws of any municipality, state or other country. We advise participants to consult with a tax advisor regarding the tax implications of their awards under the 2021 Equity Plan.

Incentive Stock Options

A grantee who receives an incentive stock option grant will not recognize any taxable income either at the time of grant or exercise of the option, although the exercise may subject the grantee to the alternative minimum tax. Upon the sale or other disposition of the shares more than two years after the grant of the option and one year after the exercise of the option, any gain or loss will be treated as a long-term capital gain or loss. If these holding periods are not satisfied, the grantee will recognize ordinary income at the time of sale or disposition equal to the lesser of (a) the fair market of the shares at the date of the option exercise minus the exercise price or (b) the sale price of the shares minus the exercise price. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the holding period. The Company will be entitled to a deduction in the same amount as the ordinary income recognized by the grantee.

Nonstatutory Stock Options

All options that do not qualify as incentive stock options are referred to as nonstatutory options. A grantee will not recognize any taxable income at the time he or she receives a nonstatutory option grant. However, upon exercise of the nonstatutory option, the grantee will recognize ordinary taxable income generally measured as the excess of the fair market value of the shares purchased on the date of exercise over the purchase price. Any taxable income recognized in connection with an option exercise by a grantee who is also an employee of the Company will be subject to tax withholding by the Company. Upon the sale of such shares by the grantee, any difference between the sale price and the fair market value of the shares on the date of exercise of the option will be treated as long-term or short-term capital gain or loss, depending on the holding period. The Company will be entitled to a tax deduction in the same amount as the ordinary income recognized by the grantee with respect to shares acquired upon exercise of a nonstatutory option, except to the extent the deduction limits of Section 162(m) of the Code apply.

Stock Appreciation Rights, Restricted Stock, Performance Shares, Stock Units, and Other Stock-Based Awards

A grantee will not recognize taxable income at the time SARs are granted and the Company will not be entitled to a tax deduction at that time. Upon exercise, the grantee will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by the Company, and the Company will be entitled to a corresponding deduction, except to the extent the deduction limits of Section 162(m) of the Code apply.

A grantee will not recognize taxable income at the time restricted stock is granted and the Company will not be entitled to a tax deduction at that time, unless the grantee makes an election to be taxed at that time. If such election is made, the grantee will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time of the grant in an amount equal to the excess of the fair market value for the shares at such time over the amount, if any, paid for those shares. If such election is not made, the grantee will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the restrictions constituting a substantial risk of forfeiture lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for those shares. The amount of ordinary income recognized by making the above-described election or upon the lapse of restrictions constituting a substantial risk of forfeiture is deductible by the Company as compensation expense, except to the extent the deduction limits of Section 162(m) of the Code apply. In addition, a participant receiving dividends with respect to restricted stock for which the above-described election has not been made and prior to the time the restrictions constituting a substantial risk of forfeiture lapse will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee), rather than dividend income, in an amount equal to the dividends paid and the Company will be entitled to a corresponding deduction, except to the extent the deduction limits of Section 162(m) of the Code apply.

A grantee will not recognize taxable income at the time a stock unit is granted and the Company will not be entitled to a tax deduction at that time. Upon settlement of stock units, the grantee will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of any cash paid by the Company, and the Company will be entitled to a corresponding deduction, except to the extent the deduction limits of Section 162(m) of the Code apply.

The tax treatment with respect to other stock-based awards will depend on the structure of such awards.

Income Tax Effects for The Company

As a general rule, the Company will be entitled to a deduction in the same amount and at the same time as the compensation income is received by the participant, except to the extent the deduction limits of Section 162(m) of the Code apply. Section 162(m) of the Code denies a deduction to any publicly held corporation for compensation paid to any "covered employee" in a taxable year to the extent that compensation to such covered employee exceeds \$1,000,000. It is possible that compensation attributable to awards under the 2021 Plan may cause this limitation to be exceeded in any particular year.

Internal Revenue Code Section 409A

Any award that is deemed to be a deferral arrangement (that is, not excluded or exempted under the tax regulations) will be subject to Section 409A of the Code. Elections by the grantee to defer compensation under such awards and the timing of distributions relating to such awards must meet the applicable requirements under Section 409A of the Code in order for income taxation to be deferred upon vesting of the award and tax penalties avoided by the grantee.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below sets forth, as of March 30, 2021, the number of shares of common stock beneficially owned by each person owning more than 5% of the outstanding shares, by each named executive officer and director, and by all executive officers and directors as a group. Except as otherwise noted, the address of each person is c/o Repro Med Systems, Inc., 24 Carpenter Road, Chester, NY, 10918.

We have determined beneficial ownership in accordance with the rules of the Securities and Exchange Commission. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

Percentage ownership is based on 44,475,559 shares of common stock outstanding at March 30, 2021. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, except as indicated by the footnotes below, we deemed outstanding shares of common stock subject to options or warrants held by that person that are currently exercisable or exercisable within 60 days of March 30, 2021, to be outstanding ignoring the withholding of shares of common stock to cover applicable taxes. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. We did not deem outstanding shares of common stock issuable as directors' fees or pursuant to employment contracts within 60 days after March 30, 2021, as the number of shares is not able to be calculated at this time. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

The information provided in the table is based on our records, information filed with the SEC, and information provided to us, except where otherwise noted.

Board Leadership Structure and Risk Oversight

Our governing documents enable the Board to determine the appropriate Board leadership structure for the Company and allow the roles of Chairman of the Board and Chief Executive Officer to be filled by the same or different individuals. This approach allows the Board flexibility to determine whether the two roles should be separate or combined based upon the Company's needs and circumstances and the Board's assessment of the Company's leadership from time to time. Our Amended and Restated By-laws (our "Bylaws") provide that, in the event the roles of Chairman of the Board and Chief Executive Officer are filled by the same individual, or if the Chairman is not considered by the Board to be an independent director, the independent directors will elect one of their number to serve as Lead Director. Our Bylaws provide that the primary officers of the Corporation shall be a Chairman of the Board, Chief Executive Officer and a Treasurer, each of whom shall be appointed by the Board of Directors and have such powers and duties as provided in the Bylaws or as the Board otherwise deems appropriate. Any two offices or more may be held by one person. Our Bylaws further provide that the Chairman of the Board shall preside at all meetings of the Board of Directors and shareholders, when present, and perform other such duties as the Board may designate and that in the absence or inability to act of the Chief Executive Officer, the Chairman of the Board shall perform the duties and may exercise the powers of the Chief Executive Officer.

The Board of Directors believes the current separation of the Chairman of the Board and Chief Executive roles is appropriate at this time, including because it enables the Chief Executive Officer to focus on strategic leadership, execution and day-to-day management of our business, while the Chairman focuses on board-level leadership and facilitating the board's ability to be a strategic partner with management and provide oversight and monitoring. The Board of Directors will continue to review the board's leadership structure.

Our Board is primarily responsible for overseeing our risk management processes. The Board receives and reviews periodic reports from management, auditors, legal counsel and others, as considered appropriate regarding our assessment of risks. The Board focuses on the most significant risks facing the Company and our general risk management strategy, and also ensures that risks undertaken by the Company are consistent with the Board's tolerance for risk. While the Board oversees our risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach. The Audit Committee assists our Board in its general oversight of, among other things, the Company's policies, guidelines and related practices regarding risk assessment and risk management. As part of this endeavor, the Audit Committee is charged with reviewing and assessing the Company's major financial, legal, regulatory and similar risk exposures and the steps that management has taken to monitor and control such exposures.

Director Independence

The Board of Directors has affirmatively determined that all of its current directors and director nominees are "independent" in accordance with the rules of the Nasdaq, except Mr. Beck due to his current service as interim Chief Executive Officer and Mr. Goldberger due to his previous service as Executive Chairman.

Director Nominations

The Company has a standing Nominating and Governance Committee. In making its recommendations of director candidates to the Board of Directors, the Nominating and Governance Committee will consider, at a minimum, a candidate's qualification as "independent" under the standards applicable to the Board of Directors and each of its committees, as well as a candidate's depth of experience, availability and potential contributions to the Board of Directors. With respect to incumbent members of the Board of Directors, the Committee will also consider the performance of each incumbent director. Candidates may come to the attention of the Nominating and Governance Committee from current directors, shareholders, officers or other sources, and the committee shall review all candidates in the same manner regardless of the source of the recommendation.

In addition to those candidates identified through its own internal processes, the Nominating and Governance Committee will consider nominees recommended by shareholders who submit their recommendations in accordance with the notice, information and consent requirements set forth in our Bylaws.

In selecting qualified candidates to serve as directors of the Company, a wide range of diversity criteria are considered, including without limitation, gender, race, ethnicity, religion, sexual orientation, physical ability and age, with the objective that the Board, as a whole, reflects a range of viewpoints, backgrounds, skills and experience. In the process of searching for qualified persons to serve on the Board, the Nominating and Governance Committee strives for the inclusion of diverse groups, knowledge, and viewpoints. To accomplish this, the Committee may retain an executive search firm to help meet the Board's diversity objectives.

Communications from Shareholders

Shareholders may communicate with the entire board of directors or individual directors by sending an email to directors@korumedical.com. Each communication should specify the applicable director or directors to be contacted, as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the director(s). We generally will not forward to the directors a communication that we determine to be primarily commercial in nature or related to an improper topic, or that requests general information about the Company.

- (4) Mr. Goldberger entered into an employment agreement with us for his service as Interim Chief Executive Officer on October 12, 2018. The agreement provided for a monthly base salary of \$30,000 and a signing bonus of \$75,000. The agreement provided Mr. Goldberger would receive a performance bonus based upon amounts payable to the person who first succeeds Mr. Goldberger as our chief executive officer, which performance bonus would be equal 50% of the initial annual base salary and 50% of the initial target bonus payable to such successor. Effective February 1, 2019, Mr. Pettigrew succeeded Mr. Goldberger as Chief Executive Officer, and Mr. Goldberger received the performance bonus, paid half in cash and half in shares of common stock. - (5) Each of our named executive officers currently (except Mr. Goldberger) received an over-achievement performance bonus for 2019, which was equal to 50% of their awarded performance bonus.
- (6) Taking into account the unusual nature of events in 2020 that impacted the Company's performance, including the global pandemic, and with the consent of the recipients, the Board determined to pay these discretionary bonuses in 2020 in lieu of bonuses calculated pursuant to the previously disclosed 2020 Management Incentive Compensation Plan ("MICP"). Each of these bonuses include a "heroes bonus" to recognize the extraordinary efforts made by the CFO and COO to support the Company during the pandemic.
- (7) The MICP provides the opportunity for a cash bonus to eligible participants, and set certain components of the MICP for each of KORU's executive officers for the year ended December 31, 2020 and 2019. However, no bonus was paid to the Executives under the MICP for the year ended December 31, 2020.
- (8) All Other Compensation in 2020 and 2019 includes the matching contributions under our 401(k) savings plan for all executives except for Mr. Pettigrew who also had commuting expenses.

prior 36 months shall not be a separation from service, and a decrease to a level that is 20% or less of the average level of such bona fide services shall be a separation from service. The Committee retains the right and discretion to specify, and may specify, whether a separation from service occurs with respect to those individuals who are performing services for the Company or an Affiliate immediately prior to an asset purchase transaction in which the Company or an Affiliate is the seller and who continue to perform services for the buyer (or an affiliate thereof) immediately following such asset purchase transaction; provided, such specification is made in accordance with the requirements of Treasury Regulation Section 1.409A-1(h)(4).

2.45 “Termination of Affiliation” occurs on the first day on which an individual is for any reason no longer performing services for the Company or any Affiliate in the capacity of an employee of, a non-employee consultant to, or a Non-Employee Director of, the Company or any Affiliate or with respect to an individual who is an employee of, a non-employee consultant to or a Non-Employee Director of an Affiliate, the first day on which such entity ceases to be an Affiliate of the Company unless such individual continues to perform Services for the Company or another Affiliate without interruption after such entity ceases to be an Affiliate. Notwithstanding the foregoing, if an Award constitutes deferred compensation within the meaning of Code Section 409A, Termination of Affiliation with respect to such Award shall mean the Grantee’s Separation from Service.

Article 3. Administration

3.1 Committee.

(a) Subject to Article 14, and to Section 3.2, the Plan shall be administered by a Committee (the “Incentive Plan Committee” or the “Committee”) of directors of the Company appointed by the Board from time to time. Notwithstanding the foregoing, the Board may at any time and in one or more instances reserve administrative powers to itself as the Committee or exercise any of the administrative powers of the Committee. The number of members of the Committee may from time to time be increased or decreased as the Board deems appropriate.

To the extent the Board considers it desirable to comply with Rule 16b-3, the Committee shall consist of two or more directors of the Company, all of whom qualify as Section 16 Non-Employee Directors.

(b) The Board or the Incentive Plan Committee may appoint and delegate to another committee (“Management Committee”), or to the CEO, any or all of the authority of the Board or the Committee, as applicable, with respect to Awards to Grantees other than Grantees who are executive officers, Non-Employee Directors, or Section 16 Persons at the time any such delegated authority is exercised, provided that the Board shall fix the terms of the Awards to be granted by the Management Committee for the CEO (including the exercise price of such Awards) and the maximum number of shares subject to Awards that the Management Committee or the CEO may grant; provided further, however, that the Management Committee and the CEO shall not be authorized to grant Awards to himself/herself/themselves, or to any other “executive officer” of the Company (as defined by Rule 3b-7 under the Exchange Act) or to any other “officer” of the Company as defined by Rule 16a-1 under the Exchange Act.

(c) Unless the context requires otherwise, any references herein to “Committee” include references to the Incentive Plan Committee, or the Board to the extent the Incentive Plan Committee, or the Board, as applicable, has assumed or exercises administrative powers itself as the Committee pursuant to subsection (a), and to the Management Committee or the CEO to the extent either has been delegated authority pursuant to subsection (b), as applicable; provided that (i) for purposes of Awards to Non-Employee Directors, “Committee” shall include only the full Board, and (ii) for purposes of Awards intended to comply with Rule 16b-3, the “Committee” shall include only the Incentive Plan Committee.

3 . 2 Powers of Committee. Subject to and consistent with the provisions of the Plan (including Article 14), the Committee has full and final authority and sole discretion as follows; provided that any such authority or discretion exercised with respect to a specific Director shall be approved by the affirmative vote of a majority of the members of the Board, even if not a quorum, but excluding the Director with respect to whom such authority or discretion is exercised:

(a) to determine when, to whom and in what types and amounts Awards should be granted;

(b) to grant Awards to Eligible Persons in any number and to determine the terms and conditions applicable to each Award (including the number of Shares or the amount of cash or other property to which an Award will relate, any Exercise Price or purchase price, any limitation or restriction, any schedule for or performance conditions relating to the earning of the Award or the lapse of limitations, forfeiture restrictions, restrictions on exercisability or transferability, any performance goals including those relating to the Company and/or an Affiliate and/or any division thereof and/or an individual, and/or vesting based on the passage of time, based in each case on such considerations as the Committee shall determine);

(c) to determine the benefit payable under any Award and to determine whether any performance or vesting conditions have been satisfied;

(d) to determine whether specific Awards shall be granted in connection with other specific Awards, and if so, whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards and all other matters to be determined in connection with an Award;

- (e) to determine the Term of any Option or SAR;
- (f) to determine the amount, if any, that a Grantee shall pay for Restricted Shares, whether to allow voting rights with respect thereto, or to permit or require the payment of cash dividends thereon, whether such dividends are to be deferred and the terms related thereto, when Restricted Shares (including Restricted Shares acquired upon the exercise of an Option) shall be forfeited and whether such shares shall be held in escrow;
- (g) to determine whether, to what extent and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Shares, other Awards or other property (including by “net” exercise), or an Award may be accelerated, vested, canceled, forfeited or surrendered or any terms of the Award may be waived, and to accelerate the exercisability of, and to accelerate or waive any or all of the terms and conditions applicable to, any Award or any group of Awards for any reason and at any time;
- (h) to determine with respect to Awards granted to Eligible Persons whether, to what extent and under what circumstances cash, Shares, other Awards, other property and other amounts payable with respect to an Award will be deferred, either at the election of the Grantee or automatically pursuant to the terms of the Award Agreement;
- (i) to offer to exchange or buy out any previously granted Award for a payment in cash, Shares or other Award;
- (j) to construe and interpret the Plan and to make all determinations, including factual determinations, necessary or advisable for the administration of the Plan;
- (k) to make, amend, suspend, waive and rescind rules and regulations relating to the Plan;
- (l) to appoint such agents as the Committee may deem necessary or advisable to administer the Plan;
- (m) to determine the terms and conditions of all Award Agreements applicable to Eligible Persons (which need not be identical) and, with the consent of the Grantee, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan; provided that the consent of the Grantee shall not be required for any amendment (i) which does not adversely affect the rights of the Grantee, or (ii) which is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any applicable law or (iii) to the extent the Award Agreement specifically permits amendment without consent;
- (n) to cancel, with the consent of the Grantee, outstanding Awards and to grant new Awards in substitution therefor;
- (o) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate, including limiting the percentage of Awards which may from time to time be exercised by a Grantee;
- (p) to make adjustments in the terms and conditions of, and the criteria in, Awards in recognition of unusual or nonrecurring events (including events described in Section 4.2) affecting the Company or an Affiliate or the financial statements of the Company or an Affiliate, or in accordance with applicable laws, regulations or accounting principles;

(q) to correct any defect or supply any omission or reconcile any inconsistency, and to construe and interpret the Plan, rules and regulations under the Plan, and Award Agreements or any other instruments entered into or relating to an Award under the Plan; and

(r) to take any other action with respect to any matters relating to the Plan for which it is responsible and to make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

Any action of the Committee with respect to the Plan shall be final, conclusive and binding on all persons, including the Company, its Affiliates, any Grantee, any person claiming any rights under the Plan from or through any Grantee, and stockholders, except to the extent the Committee may subsequently modify, or take further action whether or not consistent with, its prior action. If not specified in the Plan, the time at which the Committee must or may make any determination shall be determined by the Committee, and any such determination may thereafter be modified by the Committee. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. Subject to Section 3.1(b), the Committee may delegate to officers of the Company or any Affiliate the authority, subject to such terms as the Committee shall determine, to perform specified functions under the Plan. No Director or member of the Committee, nor any delegate thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan, and each of the foregoing shall be entitled in all cases to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including without limitation reasonable attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors' and officers' liability insurance coverage which may be in effect from time to time.

3.3 **No Repricing.** Notwithstanding any provision in Section 3.2 to the contrary, the terms of any outstanding Option or SAR may not be amended to reduce the Exercise Price of such Option or SAR or cancel any outstanding Option or SAR in exchange for other Options or SARs with an Exercise Price that is less than the Exercise Price of the cancelled Option or SAR or for any cash payment (or Shares having with a Fair Market Value) in an amount that exceeds the excess of the Fair Market Value of the Shares underlying such cancelled Option or SAR over the aggregate Exercise Price of such Option or SAR or for any other Award, without stockholder approval; provided, however, that the restrictions set forth in this Section 3.3, shall not apply (i) unless the Company has a class of stock that is registered under Section 12 of the Exchange Act or (ii) to any adjustment allowed under to Section 4.2.

Article 4. Shares Subject to the Plan

4 . 1 **Number of Shares Available for Grants.** Subject to adjustment as provided in Section 4.2 and except as provided in Section 5.6(b), the maximum number of Shares hereby reserved for delivery under the Plan shall be one million (1,000,000) Shares. Up to a maximum of one million (\$1,000,000) Shares may be delivered pursuant to the exercise of Incentive Stock Options granted hereunder.

If any Shares subject to an Award granted hereunder (other than a Substitute Award granted pursuant to Section 5.6(b)) are forfeited or such Award otherwise terminates without payment or delivery of such Shares, the Shares subject to such Award, to the extent of any such forfeiture or termination, shall again be available for grant under the Plan. For avoidance of doubt, however, if any Shares subject to an

Award granted hereunder are withheld or applied as payment in connection with the exercise of an Award or the withholding or payment of taxes related thereto ("Returned Shares"), such Returned Shares will be treated as having been delivered for purposes of determining the maximum number of Shares available for grant under the Plan and shall not again be treated as available for grant under the Plan. Moreover, the number of Shares available for issuance under the Plan may not be increased through the Company's purchase of Shares on the open market with the proceeds obtained from the exercise of any Options granted hereunder. Upon settlement of an SAR, the number of Shares underlying the portion of the SAR that is exercised will be treated as having been delivered for purposes of determining the maximum number of Shares available for grant under the Plan and shall not again be treated as available for issuance under the Plan.

Shares delivered pursuant to the Plan may be, in whole or in part, authorized and unissued Shares, or treasury Shares, including Shares repurchased by the Company for purposes of the Plan.

4.2 Adjustments in Authorized Shares and Awards; Corporate Transaction, Liquidation or Dissolution.

(a) Adjustment in Authorized Shares and Awards. In the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Shares, or other property), recapitalization, forward or reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, consolidation, scheme of arrangement, split-up, spin-off or combination involving the Company or repurchase or exchange of Shares or other securities of the Company or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that any adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or property) with respect to which Awards may be granted, (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, (iii) the Exercise Price with respect to any Option or SAR or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award, and (iv) the number and kind of Shares of outstanding Restricted Shares, or the Shares underlying any other form of Award. Notwithstanding the foregoing, no such adjustment shall be authorized with respect to any Options or SARs to the extent that such adjustment would cause the Option or SAR to violate Section 424(a) of the Code or otherwise subject (in the determination of the Committee) any Grantee to taxation under Section 409A of the Code; and *provided further* that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

(b) Merger, Consolidation or Similar Corporate Transaction. In the event of a merger or consolidation of the Company with or into another corporation or a sale of substantially all of the stock of the Company (a "Corporate Transaction"), unless an outstanding Award is assumed by the Surviving Company or replaced with an equivalent Award granted by the Surviving Company in substitution for such outstanding Award, the Committee shall cancel any outstanding Awards that are not vested and nonforfeitable as of the consummation of such Corporate Transaction (unless the Committee accelerates the vesting of any such Awards) and with respect to any vested and nonforfeitable Awards, the Committee may either (i) allow all Grantees to exercise such Awards of Options and SARs within a reasonable period prior to the consummation of the Corporate Transaction and cancel any outstanding Options or SARs that remain unexercised upon consummation of the Corporate Transaction, or (ii) cancel any or all of such outstanding Awards in exchange for a payment (in cash, or in securities or other property) in an amount equal to the amount that the Grantee would have received (net of the Exercise Price

with respect to any Options or SARs) if such vested Awards were settled or distributed or such vested Options and SARs were exercised immediately prior to the consummation of the Corporate Transaction. Notwithstanding the foregoing, if an Option or SAR is not assumed by the Surviving Company or replaced with an equivalent Award issued by the Surviving Company and the Exercise Price with respect to any outstanding Option or SAR exceeds the Fair Market Value of the Shares immediately prior to the consummation of the Corporation Transaction, such Awards shall be cancelled without any payment to the Grantee.

(c) Liquidation or Dissolution of the Company. In the event of the proposed dissolution or liquidation of the Company, each Award will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Committee. Additionally, the Committee may, in the exercise of its sole discretion, cause Awards to be vested and non-forfeitable and cause any conditions on any such Award to lapse, as to all or any part of such Award, including Shares as to which the Award would not otherwise be exercisable or non-forfeitable and allow all Grantees to exercise such Awards of Options and SARs within a reasonable period prior to the consummation of such proposed action. Any Awards that remain unexercised upon consummation of such proposed action shall be cancelled.

(d) Deferred Compensation. Notwithstanding the forgoing provisions of this Section 4.2, if an Award constitutes deferred compensation within the meaning of Code Section 409A, no payment or settlement of such Award shall be made pursuant to Section 4.2(b) or (c), unless the Corporate Transaction or the dissolution or liquidation of the Company, as applicable, constitutes a Change in Control.

Article 5. Eligibility and General Conditions of Awards

5.1 Eligibility. The Committee may in its discretion grant Awards to any Eligible Person, whether or not he or she has previously received an Award; provided, however, that all Awards made to Non-Employee Directors shall be determined by the Board in its sole discretion.

5.2 Award Agreement. To the extent not set forth in the Plan, the terms and conditions of each Award shall be set forth in an Award Agreement.

5.3 General Terms and Termination of Affiliation. The Committee may impose on any Award or the exercise or settlement thereof, at the date of grant or, subject to the provisions of Section 15.2, thereafter, such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine, including terms requiring forfeiture, acceleration or pro-rata acceleration of Awards in the event of a Termination of Affiliation by the Grantee. Except as may be required under applicable state law, Awards may be granted for no consideration other than prior and future services. Except as set forth in an Award Agreement or as otherwise determined by the Committee, (a) all Options and SARs that are not vested and exercisable at the time of a Grantee's Termination of Affiliation, and any other Awards that remain subject to a risk of forfeiture or which are not otherwise vested at the time of the Grantee's Termination of Affiliation shall be forfeited to the Company and (b) all outstanding Options and SARs not previously exercised shall expire three months after the Grantee's Termination of Affiliation.

5.4 Nontransferability of Awards.

(a) Each Award and each right under any Award shall be exercisable only by the Grantee during the Grantee's lifetime, or, if permissible under applicable law, by the Grantee's guardian or legal representative or by a transferee receiving such Award pursuant to a domestic relations order.

(b) No Award (prior to the time, if applicable, Shares are delivered in respect of such Award), and no right under any Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Grantee otherwise than by will or by the laws of descent and distribution (or in the case of Restricted Shares, to the Company) or pursuant to a domestic relations order, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary to receive benefits in the event of the Grantee's death shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Nothing herein shall be construed as requiring the Committee to honor a domestic relations order except to the extent required under applicable law.

5 . 5 Cancellation and Rescission of Awards. Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold, or otherwise limit or restrict any unexercised Award at any time if the Grantee is not in compliance with all applicable provisions of the Award Agreement and the Plan or if the Grantee has a Termination of Affiliation.

5.6 Stand-Alone, Tandem and Substitute Awards.

(a) Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan unless in the determination of the Committee such tandem or substitution Award would subject the Grantee to a tax imposed under Section 409A of the Code. If an Award is granted in substitution for another Award or any non-Plan award or benefit, the Committee shall require the surrender of such other Award or non-Plan award or benefit in consideration for the grant of the new Award. Awards granted in addition to or in tandem with other Awards or non-Plan awards or benefits may be granted either at the same time as or at a different time from the grant of such other Awards or non-Plan awards or benefits; provided, however, that if any SAR is granted in tandem with an Incentive Stock Option, such SAR and Incentive Stock Option must have the same Grant Date, Term and the Exercise Price of the SAR may not be less than the Exercise Price of the Incentive Stock Option.

(b) The Committee may, in its discretion and on such terms and conditions as the Committee considers appropriate in the circumstances, grant Awards under the Plan ("Substitute Awards") in substitution for stock and stock-based awards ("Acquired Entity Awards") held by current or former employees or non-employee directors of, or consultants to, another corporation or entity who become Eligible Persons as the result of a merger or consolidation of the employing corporation or other entity (the "Acquired Entity") with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the Acquired Entity immediately prior to such merger, consolidation or acquisition in order to preserve for the Grantee the economic value of all or a portion of such Acquired Entity Award at such price as the Committee determines necessary to achieve preservation of economic value.

5.7 Compliance with Rule 16b-3. The provisions of this Section 5.7 will not apply unless and until the Company has a class of stock that is registered under Section 12 of the Exchange Act.

(a) Six-Month Holding Period Advice. Unless a Grantee could otherwise dispose of or exercise a derivative security or dispose of Shares delivered under the Plan without incurring liability under Section 16(b) of the Exchange Act, the Committee may advise or require a Grantee to comply with the following in order to avoid incurring liability under Section 16(b) of the Exchange Act: (i) at least six months must elapse from the date of acquisition of a derivative security under the Plan to the date of disposition of the derivative security (other than upon exercise or conversion) or its underlying equity security, and (ii) Shares granted or awarded under the Plan other than upon exercise or conversion of a derivative security must be held for at least six months from the date of grant of an Award.

(b) Reformation to Comply with Exchange Act Rules. To the extent the Committee determines that a grant or other transaction by a Section 16 Person should comply with applicable provisions of Rule 16b-3 (except for transactions exempted under alternative Exchange Act rules), the Committee shall take such actions as necessary to make such grant or other transaction so comply, and if any provision of this Plan or any Award Agreement relating to a given Award does not comply with the requirements of Rule 16b-3 as then applicable to any such grant or transaction, such provision will be construed or deemed amended, if the Committee so determines, to the extent necessary to conform to the then applicable requirements of Rule 16b-3.

(c) Rule 16b-3 Administration. Any function relating to a Section 16 Person shall be performed solely by the Committee or the Board if necessary to ensure compliance with applicable requirements of Rule 16b-3, to the extent the Committee determines that such compliance is desired. Each member of the Committee or person acting on behalf of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer, manager or other employee of the Company or any Affiliate, the Company's independent certified public accountants or any executive compensation consultant or attorney or other professional retained by the Company to assist in the administration of the Plan.

5.8 Deferral of Award Payouts. The Committee may permit a Grantee to defer, or if and to the extent specified in an Award Agreement require the Grantee to defer, receipt of the payment of cash or the delivery of Shares that would otherwise be due by virtue of the lapse or waiver of restrictions with respect to Restricted Stock Units, the satisfaction of any requirements or goals with respect to Performance Units or Performance Shares, the lapse or waiver of the deferral period for Deferred Stock, or the lapse or waiver of restrictions with respect to Other Stock-Based Awards or Cash Incentive Awards. If the Committee permits or requires such deferrals, the Committee shall establish rules and procedures for making such deferral elections and for the payment of such deferrals, which shall conform in the Committee's determination in form and substance with applicable regulations promulgated under Section 409A of the Code so that if the Committee is correct in such determination the Grantee is not subjected to taxes under Section 409A of the Code with respect to such deferrals. Except as otherwise provided in an Award Agreement, any payment or any Shares that are subject to such deferral shall be made or delivered to the Grantee as specified in the Award Agreement or pursuant to the Grantee's deferral election.

Article 6. Stock Options

6.1 Grant of Options. Subject to and consistent with the provisions of the Plan, Options may be granted to any Eligible Person in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6 . 2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the Term of the Option, the number of Shares to which the Option pertains, the time or times at which such Option shall be exercisable and such other provisions as the Committee shall determine.

6 . 3 Option Exercise Price. The Exercise Price of an Option under this Plan shall be determined in the sole discretion of the Committee but may not be less than 100% of the Fair Market Value of a Share on the Grant Date.

6 . 4 Grant of Incentive Stock Options. At the time of the grant of any Option, the Committee may in its discretion designate that such Option shall be made subject to additional restrictions to permit it to qualify as an Incentive Stock Option. Any Option designated as an Incentive Stock Option:

(a) shall be granted only to an employee of the Company or a Subsidiary Corporation;

(b) shall have an Exercise Price of not less than 100% of the Fair Market Value of a Share on the Grant Date, and, if granted to a person who owns capital stock (including stock treated as owned under Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of capital stock of the Company or any Subsidiary Corporation (a "More Than 10% Owner"), have an Exercise Price not less than 110% of the Fair Market Value of a Share on its Grant Date;

(c) shall be for a period of not more than 10 years (five years if the Grantee is a More Than 10% Owner) from its Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;

(d) shall not have an aggregate Fair Market Value (as of the Grant Date) of the Shares with respect to which Incentive Stock Options (whether granted under the Plan or any other plan of the Company or Affiliate ("Other Plans")) are exercisable for the first time by such Grantee during any calendar year ("Current Grant"), determined in accordance with the provisions of Section 422 of the Code, which exceeds \$100,000 (the "\$100,000 Limit");

(e) shall, if the aggregate Fair Market Value of the Shares (determined on the Grant Date) with respect to the Current Grant and all Incentive Stock Options previously granted under the Plan and any Other Plans which are exercisable for the first time during a calendar year ("Prior Grants") would exceed the \$100,000 Limit, be, as to the portion in excess of the \$100,000 Limit, exercisable as a separate option that is not an Incentive Stock Option at such date or dates as are provided in the Current Grant;

(f) shall require the Grantee to notify the Committee of any disposition of any Shares delivered pursuant to the exercise of the Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to holding periods and certain disqualifying dispositions) ("Disqualifying Disposition") within 10 days of such a Disqualifying Disposition;

(g) shall by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee's lifetime, only by the Grantee; provided, however, that the Grantee may, to the extent provided in the Plan in any manner specified by the Committee, designate in writing a beneficiary to exercise his or her Incentive Stock Option after the Grantee's death; and

(h) shall, if such Option nevertheless fails to meet the foregoing requirements, or otherwise fails to meet the requirements of Section 422 of the Code for an Incentive Stock Option, be treated for all purposes of this Plan, except as otherwise provided in subsections (d) and (e) above, as an Option that is not an Incentive Stock Option.

6 . 5 Payment of Exercise Price. Except as otherwise provided in an Award Agreement, Options shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares made by any one or more of the following means:

- (a) cash, personal check or wire transfer;
- (b) with the approval of the Committee, delivery of Common Stock owned by the Grantee prior to exercise, valued at Fair Market Value on the date of exercise;
- (c) with the approval of the Committee, Shares acquired upon the exercise of such Option, such Shares valued at Fair Market Value on the date of exercise; or
- (d) with the approval of the Committee, subject to applicable law (including the prohibited loan provisions of Section 402 of the Sarbanes Oxley Act of 2002), through the sale of the Shares acquired on exercise of the Option through a broker-dealer to whom the Grantee has submitted an irrevocable notice of exercise and irrevocable instructions to deliver promptly to the Company the amount of sale proceeds sufficient to pay for such Shares, together with, if requested by the Company, the amount of federal, state, local or foreign withholding taxes payable by Grantee by reason of such exercise.

Article 7. Stock Appreciation Rights

7.1 Issuance. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant SARs to any Eligible Person either alone or in addition to other Awards granted under the Plan. Such SARs may, but need not, be granted in connection with a specific Option granted under Article 6. The Committee may impose such conditions or restrictions on any SAR as it shall deem appropriate.

7.2 Award Agreements. Each SAR grant shall be evidenced by an Award Agreement in such form as the Committee may approve and shall contain such terms and conditions not inconsistent with other provisions of the Plan as shall be determined from time to time by the Committee.

7 . 3 SAR Exercise Price. The Exercise Price of a SAR shall be determined by the Committee in its sole discretion; provided that the Exercise Price shall not be less than 100% of the Fair Market Value of a Share on the date of the grant of the SAR.

7 . 4 Exercise and Payment. Upon the exercise of a SAR, a Grantee shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Exercise Price; by
- (b) The number of Shares with respect to which the SAR is exercised.

SARs shall be deemed exercised on the date written notice of exercise in a form acceptable to the Committee is received by the Secretary of the Company. The Company shall make payment in respect of any SAR within five (5) days of the date the SAR is exercised. Any payment by the Company in respect of a SAR may be made in cash, Shares, other property, or any combination thereof, as the Committee, in its sole discretion, shall determine or, to the extent permitted under the terms of the applicable Award Agreement, at the election of the Grantee.

Article 8.
Restricted Shares

8.1 Grant of Restricted Shares. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Restricted Shares to any Eligible Person in such amounts as the Committee shall determine.

8.2 Award Agreement. Each grant of Restricted Shares shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Restricted Shares granted, and such other provisions as the Committee shall determine. The Committee may impose such conditions and/or restrictions on any Restricted Shares granted pursuant to the Plan as it may deem advisable, including restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting with or without the attainment of the performance goals, and/or restrictions under applicable securities laws; provided that such conditions and/or restrictions may lapse, if so determined by the Committee, in the event of the Grantee's Termination of Affiliation due to death, Disability, or involuntary termination by the Company or an Affiliate without "Cause". For purposes of the Plan, "Cause" means (i) conviction of, or the entry of a plea of guilty or no contest to, a felony or any other crime that causes the Company or its Affiliates public disgrace or disrepute, or materially and adversely affects the Company's or its Affiliates' operations or financial performance or the relationship the Company has with its customers, (ii) gross negligence or willful misconduct with respect to the Company or any of its Affiliates, including, without limitation fraud, embezzlement, theft or dishonesty in the course of his or her employment; (iii) alcohol abuse or use of controlled drugs other than in accordance with a physician's prescription; (iv) refusal to perform any lawful, material obligation of fulfill any duty (including any duty or obligation of the type described in clause (vi) below) to the Company or its Affiliates; (v) material breach of any agreement with or duty owed to the Company or any of its Affiliates; (vi) any breach of any obligation or duty to the Company or any of its Affiliates (whether arising by statute, common law or agreement) relating to confidentiality, noncompetition, nonsolicitation or proprietary rights; or (vii) the occurrence of a "Forfeiture Event" as defined in section 18.5, below. Notwithstanding the foregoing, if an Eligible Person and the Company (or any of its Affiliates) have entered into an employment agreement, consulting agreement or other similar agreement that specifically defines "cause", then with respect to that Eligible Person "Cause" shall have the meaning as defined in such employment, consulting or other agreement.

8.3 Consideration for Restricted Shares. The Committee shall determine the amount, if any, that a Grantee shall pay for Restricted Shares.

8.4 Effect of Forfeiture. If Restricted Shares are forfeited, and if the Grantee was required to pay for such shares or acquired such Restricted Shares upon the exercise of an Option, the Grantee shall be deemed to have resold such Restricted Shares to the Company at a price equal to the lesser of (x) the amount paid by the Grantee for such Restricted Shares, or (y) the Fair Market Value of a Share on the date of such forfeiture. The Company shall pay to the Grantee the deemed sale price as soon as is administratively practical. Such Restricted Shares shall cease to be outstanding and shall no longer confer on the Grantee thereof any rights as a stockholder of the Company, from and after the date of the event causing the forfeiture, whether or not the Grantee accepts the Company's tender of payment for such Restricted Shares.

8.5 Escrow; Legends. The Committee may provide that the certificates for any Restricted Shares (x) shall be held (together with a stock power executed in blank by the Grantee) in escrow by the Secretary of the Company until any applicable conditions or restrictions respecting such Restricted Shares are satisfied or such Restricted Shares are forfeited and/or (y) shall bear an appropriate legend restricting the transfer of such Restricted Shares under the Plan. If any applicable conditions or restrictions respecting such Restricted Shares shall lapse, the Company shall cause certificates for such shares to be delivered without such legend.

Article 9.
Performance Units and Performance Shares

9.1 Grant of Performance Units and Performance Shares. Subject to and consistent with the provisions of the Plan, Performance Units or Performance Shares may be granted to any Eligible Person in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

9.2 Value/Performance Goals. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid to the Grantee.

(a) Performance Unit. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant.

(b) Performance Share. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant.

9 . 3 Earning of Performance Units and Performance Shares. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares shall be entitled to payment at the time specified in the Award Agreement based on the level of achievement of performance goals set by the Committee.

At the discretion of the Committee, the settlement of Performance Units or Performance Shares may be in cash, Shares of equivalent value, or in some combination thereof, as set forth in the Award Agreement.

If a Grantee is transferred to a different business unit of the Company during a Performance Period, then, to the extent the Committee determines that the Award, the performance goals, or the Performance Period are no longer appropriate, the Committee may adjust, change, eliminate or cancel the Award, the performance goals, or the applicable Performance Period, as it deems appropriate in order to make them appropriate and comparable to the initial Award, the performance goals, or the Performance Period.

At the discretion of the Committee, a Grantee may be entitled to receive any dividends or Dividend Equivalents declared with respect to Shares deliverable in connection with vested Performance Shares which have been earned, but not yet delivered to the Grantee.

Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Deferred Stock and/or Restricted Stock Units to any Eligible Person, in such amount and upon such terms as the Committee shall determine. The Committee may conform such grant(s) in accordance with applicable regulations promulgated under Section 409A of the Code.

10.2 Vesting and Delivery.

(a) Delivery with Respect to Deferred Stock and Restricted Stock Units. Delivery of Shares subject to a Deferred Stock or a Restricted Stock Unit grant will occur upon expiration of the deferral period or upon the occurrence of one or more of the distribution events described in Section 409A (a) (2) of the Code as specified by the Committee in the Grantee's Award Agreement. Such Award may be subject to such substantial risk of forfeiture conditions as the Committee may impose, which conditions may lapse at such times or upon the achievement of such objectives as the Committee shall determine. Unless otherwise determined by the Committee, to the extent that the Grantee has a Termination of Affiliation while the Deferred Stock remains subject to a substantial risk of forfeiture, such Deferred Shares shall be forfeited, unless the Committee determines that such substantial risk of forfeiture shall lapse in the event of the Grantee's Termination of Affiliation due to death, Disability, or involuntary termination by the Company or an Affiliate without "Cause."

10.3 Voting and Dividend Equivalent Rights Attributable to Deferred Stock and Restricted Stock Units. A Grantee awarded Deferred Stock or Restricted Stock Units will have no voting rights with respect to such Deferred Stock or Restricted Stock Units prior to the delivery of Shares in settlement of such Deferred Stock and/or Restricted Stock Units. Unless otherwise determined by the Committee, a Grantee will have no rights to receive Dividend Equivalents in respect of Deferred Stock and/or Restricted Stock Units. Dividend Equivalents, if any, shall be deemed reinvested in additional Shares of Deferred Stock or Restricted Stock Units, as applicable, which shall remain subject to the same forfeiture conditions applicable to the Deferred Stock or Restricted Stock Units to which such Dividend Equivalents relate.

Article 11.
Dividend Equivalents

The Committee is authorized to grant Awards of Dividend Equivalents alone or in conjunction with other Awards. The Committee may specify the time or times that Dividend Equivalents shall be paid or distributed and the extent to which they shall be deemed to have been reinvested in additional Shares or additional Awards or otherwise reinvested subject to distribution at the same time and subject to the same conditions as the Award to which they relate; provided, however, that any Dividend Equivalents granted in conjunction with any Award that is subject to forfeiture conditions shall remain subject to the same forfeiture conditions applicable to the Award to which such Dividend Equivalents relate. The Committee may determine whether the timing of payment or distribution of Dividend Equivalents should comply with the requirements of Section 409A of the Code.

Article 12.
Bonus Shares

Subject to the terms of the Plan, the Committee may grant Bonus Shares to any Eligible Person, in such amount and upon such terms and at any time and from time to time as shall be determined by the Committee.

Article 13.
Other Stock-Based Awards

The Committee is authorized, subject to limitations under applicable law, to grant such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including Shares awarded which are not subject to any restrictions or conditions, convertible or exchangeable debt securities or other rights convertible or exchangeable into Shares, and Awards valued by reference to the value of securities of or the performance of specified Affiliates. Subject to and consistent with the provisions of the Plan, the Committee shall determine the terms and conditions of such Awards. Except as provided by the Committee, Shares delivered pursuant to a purchase right granted under this Article 13 shall be purchased for such consideration, paid for by such methods and in such forms, including cash, Shares, outstanding Awards or other property, as the Committee shall determine.

Article 14.
Non-Employee Director Awards

Subject to the terms of the Plan, the Board may grant Awards to any Non-Employee Director, in such amount and upon such terms and at any time and from time to time as shall be determined by the Board in its sole discretion. Except as otherwise provided in Section 5.6(b), Non-Employee Directors may not be granted Awards with respect to Shares that have a Fair Market Value (determined as of the date of grant) in excess of \$750,000 in a single calendar year.

Article 15.
Amendment, Modification, and Termination

15.1 Amendment, Modification, and Termination. Subject to Section 15.2, the Board may, at any time and from time to time, alter, amend, suspend, discontinue or terminate the Plan in whole or in part without the approval of the Company's stockholders, except that (a) any amendment or alteration shall be subject to the approval of the Company's stockholders if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted, and (b) the Board may otherwise, in its discretion, determine to submit other such amendments or alterations to stockholders for approval.

15.2 Awards Previously Granted. Except as otherwise specifically permitted in the Plan or an Award Agreement, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Grantee of such Award.

Article 16.
Section 409A

16.1 Awards Subject to Code Section 409A. Notwithstanding any provision of the Plan or an Award to the contrary, if any Award or benefit provided under this Plan is subject to the provisions of Section 409A of the Code ("Section 409A"), such provision or Award shall (if the Committee so determines) be administered, interpreted and construed in a manner necessary to comply with Section 409A or an exception thereto (or disregarded to the extent such provision cannot be so administered, interpreted or construed). In such case, the following provisions shall apply, as applicable:

(a) For purposes of Section 409A, and to the extent the Committee determines applicable to any Award or benefit under the Plan, it is intended that distribution events qualify as permissible distribution events for purposes of Section 409A and shall be interpreted and construed accordingly. With respect to payments subject to Section 409A, the Company reserves the right to accelerate and/or defer any payment whether or not permitted and consistent with Section 409A. Whether a Grantee has separated from service or employment will be determined based on all of the facts and circumstances and, to the extent the Committee determines applicable to any Award or benefit, in accordance with the guidance issued under Section 409A.

(b) To the extent the Committee determines applicable, the grant of Non-Qualified Stock Options and other stock rights shall be granted under terms and conditions consistent with Treas. Reg. § 1.409A-1(b)(5) such that any such Award does not constitute a deferral of compensation under Section 409A.

(c) In no event shall any member of the Board, the Committee or the Company (or its employees, officers or directors) have any liability to any Grantee (or any other Person) due to the failure of an Award to satisfy the requirements of Section 409A.

(d) Notwithstanding anything herein or in any Award Agreement to the contrary, to the extent that distribution of a 409A Award is triggered by a Grantee's Separation from Service, if the Grantee is then a "specified employee" (as defined in Treasury Regulation Section 1.409A-1(i)), no distribution may be made before the date which is six (6) months after such Grantee's Separation from Service, or, if earlier, the date of the Grantee's death.

Article 17.
Withholding

17.1 Required Withholding.

(a) The Committee in its sole discretion may provide that when taxes are to be withheld in connection with any Award (the "Tax Date"). The Grantee may elect to make payment for the withholding of federal, state and local taxes, including Social Security and Medicare ("FICA") taxes by one or a combination of the following methods:

(i) payment of an amount in cash equal to the amount to be withheld;

(ii) delivering part or all of the amount to be withheld in the form of Common Stock valued at its Fair Market Value on the Tax Date;

(iii) requesting the Company to withhold from those Shares that would otherwise be received pursuant to an Award, a number of Shares having a Fair Market Value on the Tax Date equal to the amount to be withheld; or

(iv) withholding from any compensation otherwise due to the Grantee.

The Committee in its sole discretion may provide that the maximum amount of such tax withholding shall not exceed the minimum amount of taxes, including FICA taxes, required to be withheld under federal, state and local law. An election by Grantee under this subsection is irrevocable. Any fractional share amount and any additional withholding not paid by the withholding or surrender of Shares must be paid in cash. If no timely election is made, the Grantee must deliver cash to satisfy all tax withholding requirements.

(b) Any Grantee who makes a Disqualifying Disposition (as defined in Section 6.4(f)) or an election under Section 83(b) of the Code shall remit to the Company an amount sufficient to satisfy all resulting tax withholding requirements in the same manner as set forth in subsection (a).

17.2 Notification under Code Section 83(b). If the Grantee, in connection with the grant of any publically traded Option, or the grant of Restricted Shares, makes the election permitted under Section 83(b) of the Code to include in such Grantee's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Grantee shall notify the Company of such election within 10 days of filing the notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter, prohibit a Grantee from making the election described in this section 17.2.

Article 18.

Additional Provisions

18.1 Successors. Subject to Section 4.2(b), all obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise of all or substantially all of the business and/or assets of the Company.

18.2 Severability. If any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

18.3 Requirements of Law. The granting of Awards and the delivery of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required by the same. Notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise, or receive benefits under, any Award, and the Company (and any Affiliate) shall not be obligated to deliver any Shares or deliver benefits to a Grantee, if such exercise or delivery would constitute a violation by the Grantee or the Company of any applicable law or regulation.

18.4 Securities Law Compliance.

(a) If the Committee deems it necessary to comply with any applicable securities law, or the requirements of any stock exchange upon which Shares may be listed, the Committee may impose any restriction on Awards or Shares acquired pursuant to Awards under the Plan as it may deem advisable. In addition, if requested by the Company or any underwriter engaged by the Company, Shares acquired pursuant to Awards may not be sold or otherwise transferred or disposed of for such period following the effective date of any registration statement of the Company filed under the Securities Act as the Company or such underwriter shall specify reasonably and in good faith. All certificates for Shares delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which Shares are then listed, any applicable securities or other law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If so requested by the Company, the Grantee shall make a written representation to the Company that he or she will not sell or offer to sell any Shares unless a registration statement shall be in effect with respect to such Shares under the Securities Act of 1933, as amended, and any applicable state securities law.

(b) If the Committee determines that the exercise or nonforfeitability of, or delivery of benefits pursuant to, any Award would violate any applicable provision of securities or other laws or the listing requirements of any national securities exchange or national market system on which are listed any of the Company's equity securities, then the Committee may postpone any such exercise, nonforfeitability or delivery, as applicable, but the Company shall use all reasonable efforts to cause such exercise, nonforfeitability or delivery to comply with all such provisions at the earliest practicable date.

18.5 Forfeiture Events. Notwithstanding any provisions herein to the contrary, the Committee shall have the discretionary authority at any time to determine that a Grantee's (including his or her estate's, beneficiary's or transferee's) rights, payments and benefits with respect to any Award shall be subject to reduction, cancellation, forfeiture or recoupment in the event of the Grantee's serious misconduct; violation of the Company's or an Affiliate's policies; breach of fiduciary duty; unauthorized disclosure of any trade secret or confidential information of the Company or an Affiliate; breach of applicable noncompetition, nonsolicitation, confidentiality or other restrictive covenants; or other conduct or activity that is in competition with the business of the Company or an Affiliate, or otherwise detrimental to the business, reputation or interests of the Company and/or an Affiliate; or upon the Grantee's termination for Cause or the occurrence of certain events specified in the applicable Award Agreement (in any such case, whether or not the Grantee is then an Eligible Person). The determination of whether a Grantee's conduct, activities or circumstances are described in the immediately preceding sentence shall be made by the Committee in its discretion, and pending any such determination, the Committee shall have the authority to suspend the exercise, payment, delivery or settlement of all or any portion of such Grantee's outstanding Awards pending any investigation of the matter.

18.6 No Rights as a Stockholder. No Grantee shall have any rights as a stockholder of the Company with respect to the Shares which may be deliverable upon exercise or payment of such Award until such Shares have been delivered to him or her, except that Restricted Shares, whether held by a Grantee or in escrow by the Secretary of the Company, shall confer on the Grantee all rights of a stockholder of the Company, except as otherwise provided in the Plan or Award Agreement.

18.7 Nature of Payments. Unless otherwise specified in the Award Agreement, Awards shall be special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for purposes of determining any benefit under (a) any pension, retirement, profit sharing, bonus, insurance or other employee benefit plan of the Company or any

Affiliate, except as such plan shall otherwise expressly provide, or (b) any agreement between (i) the Company or any Affiliate and (ii) the Grantee, except as such agreement shall otherwise expressly provide.

18.8 Non-Exclusivity of Plan. Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt other compensatory arrangements for Eligible Persons as it may deem desirable.

18.9 Governing Law. The Plan, and all Award Agreements hereunder, shall be construed in accordance with and governed by the laws of the State of New York, other than its laws respecting choice or conflicts of law rule or principles that might otherwise refer construction or interpretation of the same to the substantive law of another jurisdiction. Unless otherwise provided in an Award Agreement, all Eligible Persons are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of the Eastern District of State of New York, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

18.10 Unfunded Status of Awards; Creation of Trusts. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Grantee pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give any such Grantee any rights that are greater than those of a general creditor of the Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company’s obligations under the Plan to deliver cash, Shares or other property pursuant to any Award which trusts or other arrangements shall be consistent with the “unfunded” status of the Plan unless the Committee otherwise determines.

18.11 Affiliation. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Grantee’s employment or consulting contract at any time, nor confer upon any Grantee the right to continue in the employ of or as an officer of or as a consultant to, or Director of the Company or any Affiliate.

18.12 Participation. No employee, officer, consultant, director or any other person shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

18.13 Notices. Any notice to be given to the Company pursuant to the provisions of the Plan will be given by registered or certified mail, postage prepaid, or by recognized overnight delivery service, and addressed, if to the Company to its Secretary (or such other person as the Company may designate in writing from time to time) at its principal executive office, and, if to an Eligible Person, to the address given beneath his or her signature on his or her Award Agreement, or at such other address as such Eligible Person may hereafter designate in writing to the Company. Any such notice will be deemed duly given on the date and at the time delivered via recognized overnight delivery service or, if mailed, on the date five (5) days after the date of the mailing.

18.14 Construction. The following rules of construction will apply to the Plan: (a) the word “or” is disjunctive but not necessarily exclusive, and (b) words in the singular include the plural, words in the plural include the singular, and words in the neuter gender include the masculine and feminine genders and words in the masculine or feminine gender include the neuter gender.

18.15 Headings. The headings of articles and sections are included solely for convenience of reference, and if there is any conflict between such headings and the text of this Plan, the text shall control.

18.16 Obligations.
